CANDIDATES FOR BOARD OF DIRECTORS

Adam Blazak. Hello neighbor! You may have seen me walking my three dogs: Rocky, Buttons, and Truffles. I have lived in the Highlands for three years. I am running for the Board to ensure our HOA is open, transparent, and communicating with the membership. This dovetails perfectly with my formal education in new media communication. As a combat veteran, I know leadership and have the depth, determination, and commitment to serve ALL homeowners. I am here to work for you!

Cindi Livingston. Along with my husband and two children, I've lived on South McDougal since 2007. For 20 years, I've served as District Administrator and Pharmacy Scheduler for a large pharmaceutical company. My skills include proficiency with Microsoft Office, facilitating communications, and appropriate handling of professional and confidential information. I enjoy movies, reading, and spending time with my family. I want to work towards a more efficient and functional HOA. I look forward to the opportunity to contribute.

Davorin Skender. My family and I have been residents of the Highlands for nearly four years. I am married with four children and work as an engineer at Cook Medical. I have been involved in organizational development for 16 years and currently am the admissions director of the local Knights of Columbus council. My desire to serve on the board is to work towards a thriving community while representing the interests of young families in the neighborhood.

Lucas Weeks. My family and I moved into the neighborhood this past Spring. I've been looking for a way to get involved with the community, and I'm delighted to offer my service as a member of the board of directors. I've worked in the non-profit world for the past 10 years, and I'm familiar with everything from accounting to organizing teams to building websites.

Mary Ann Williams. I moved to the Highlands in 2005. Along with my husband, I have worked for several large corporations in the field of training design and delivery, along with future visioning for non-profits. I enjoy gardening and caring for my home and family. Offering enthusiasm and friendliness, I want to work with other volunteers to address some current issues and to transform the subdivision into a friendlier, more functional neighborhood.
