A great place to call home!

October 2019

2019 Annual Meeting

Mark Your Calendars

Tuesday, November 12th

6:30-8:00 PM

Batchelor Middle School
Cafeteria & Auditorium

This is an opportunity to hear from the Board about association happenings as well as how your money is used to better our community. **Homeowners in an association have an obligation to attend yearly meetings.** We look forward to seeing everyone there!

CCR Voting Form

The CCR document has been reviewed based on homeowner feedback and is now ready to be voted on. Watch for a voting form coming in the mail! Homeowners will need to submit their voting form via mail, email, or fax. Details will be in the mailed notice. Please visit the website to view the proposed CCR document. Thank you all for your commitment in bettering our neighborhood and updating the CCRs. Visit our website for more bloomingtonhighlands.com

Fall Yard Clean-Up

Trim the trees, rake the leaves, and clean up the yard for winter. Remember to clean leaves from gutters and care for plants before the first freeze. Lawns are happy when they are fertilized so they have nutrients to survive the winter. Plants and trees need mulch to help protect from frost. Dry and store gardening tools to protect from the elements.

Thank you to the volunteers who agreed to monitor the dumpster at the September community sale. Anyone interested in volunteering in the future should email the board. We're always looking for more help!

Trick or Treat October 31st 5:30-8:30 PM

THE HIGHLANDS IS A PREMIER HALLOWEEN DESTINATION AND WE WILL HAVE MANY VISITORS TO OUR NEIGHBORHOOD, ALONG WITH OUR OWN NEIGHBORHOOD KIDS. HALLOWEEN CAN BE A WONDERFUL TIME FOR ADULTS AND CHILDREN, BUT WE MUST MAKE SURE THAT OUR HOMES ARE SAFE FOR VISITORS. PLEASE READ THESE TIPS AND TRICKS FOR A SAFE AND FUN HALLOWEEN!

Light up the night

Check outdoor lights are functioning. Having well-lit areas provides trick-or-treaters a safe way to walk. If a home has their porch lights off, please SKIP that home and continue on safely.

Clear path & yard

Trick-or-treaters often race from house to house, cutting through yards and alleyways. Please do not do this! **Everyone is reminded to stay on sidewalks!** Kindly remove potential hazards from any walkways.

Protect your pets

The constant excitement of young children ringing the doorbell is simply too much for many pets. Scared dogs or cats can dart out the front door. Avoid a Halloween pet mishap by keeping Fluffy and Fido in a separate room, away from the excitement.

Driving

Expect lots of witches, pirates, ghosts, princesses, and superheroes happily going from house to house and crossing streets. Please make sure you are watching your speed and keeping an eye out for little ones that can unexpectedly dart into the road.

Trick-or-treating will take place in rain or moonlight. Please be safe!
